: PETITION DECISION

:

This is in response to the renewed petition under 37 CFR § 1.59(b), filed January 8, 2010, to expunge information from the above identified application. This application has been allowed.

Petitioner requests that the Proprietary Information Disclosure Statements entered into the record on December 5, 2006, and June 1, 2009, respectively be expunged from the record as the documents are subject to one or more protective orders, and have not otherwise been made public. Petitioner states either: (A) that the information contains trade secret material, proprietary material and/or material that is subject to a protective order which has not been made public; or (B) that the information submitted was unintentionally submitted and the failure to obtain its return would cause irreparable harm to the party who submitted the information or to the party in interest on whose behalf the information was submitted, and the information has not otherwise been made public. The petition fee set forth in 37 CFR § 1.17(g) has been paid.

The reasons set forth in this petition establishes to the satisfaction of the Director that expungement of the information is appropriate. The file entry for this document has been closed and as such the document is no longer publicly available, which is the IFW equivalent to removal of a paper document from a paper file wrapper.

Therefore, petitioner's petition is GRANTED.

Should there be any questions about this decision please contact Marianne C. Seidel by letter addressed to Director, TC 1600, at the address listed above, or by telephone at 571-272-0584 or by facsimile sent to the general Office facsimile number, 703-872-9306.
